OGC HAS REVIEWED. 23 January 1951

MEMORANDUM FOR: DD/A

SUBJECT: [REDACTED]

25X1A

1. Use of retired officers may present both legal and policy problems. The legal problems arise out of the dual compensation laws and, if the case is barred thereby, it goes no further.

2. If legally permissible, [REDACTED] informed me that the problem was discussed as to policy in the Assistant Directors meeting last week and each case is to be submitted to the Deputy Director for review. Herewith is the first case of this sort - [REDACTED], to which there is no legal objection as he asks no compensation.

25X1A

25X1C

4. If his utilization is approved, we will draw an appropriate contract providing for expenses but no compensation.
